

Post Sale Inspection Report and Post Sale Summary Report

The **Post Sale Inspection form** is used for Buyers who wish to have purchases inspected prior to Departure.

Select the **Dealer Profile** or **Vehicle Order** application > Reports > Administrative Reports > Post Sale Inspection

The screenshot displays a software interface for vehicle management. At the top, a tab labeled 'Vehicle Orders' is active. The main header shows 'Seller Name: 4 POINTS AUTO LLC' and '2012 Nissan JUKE 5dr Wgn CVT S FWD'. Below this, there are fields for 'Color', 'Odo', 'Odo Brand', 'Veh Type', 'Brand State', and 'Odo Date'. A price summary shows 'Price: \$5,500.00', 'Seller: -\$5,265.00', and 'Buyer: \$5,715.00'. A sidebar on the left contains filters for 'In Sale' (72), 'Un Sold' (5), 'Settlement' (74), 'Open Vehicle' (7), 'Closed Buyer' (59), 'Closed Seller' (7), and 'Arbitration' (1). The 'Arbitration' filter is checked. A table in the center lists items, with the first row 'A016 2012 Nissan JUKE' highlighted. A modal window titled 'Inspection' is open over the table, showing 'Outcome' and 'Assignment' dropdowns, 'Estimate: \$0.00', and 'Reason: Mechanical'. A right-hand menu titled 'REPORTS' includes 'Buyer Invoice', 'Seller Invoice', 'Vehicle Statement', 'Administrative Reports', 'Inspection Reports', 'Inspection Report', and 'Inspection Summary'. The 'Inspection Report' option is highlighted with a red box.

Note: You must select a vehicle in the grid of the Dealer Profile application.
